Workshop Descriptions

Career Cruising

Discover the job that is right for you. Together we determine your individual strengths, interests, values and personality dimensions, and discuss what occupations are hiring and growing. Together we explore careers, familiarize you with labour market research and discover your career path.

Hidden Job Market

Did you know 80% of available jobs are not advertised? These can only be found in the hidden job market. Join us to find out where these jobs are and how to find them.

Interview Workshop

Gain confidence during job interviews and turn interviews into job offers! Through discussion and practical activities, we provide you with the right techniques for interview preparation- both in-person and virtual, opportunity to share previous interview experiences and problem solve interview challenges.

LinkedIn Workshop

Learn to navigate one of the world's largest and most effective professional networking sites. Discover how to expand your network, find employment opportunities, and let potential employers know what makes you unique. Tips, guidelines, and practical drills are included.

Resume Workshop

Whether you are a beginner or looking to refresh your skills, let us help you prepare an effective and successful resume. We cover the winning qualities of resume writing: structure, formatting and styles, as well as complex topics such as accomplishment statements, matching resumes to employers' needs, writing style tips and the latest resume trends.

Unleashing ChatGPT for Career Success!

Discover the power of this cutting-edge AI tool, which will help you make your resume stand out, ace your interviews and master your LinkedIn profile. This workshop will elevate your job search game and open new opportunities.
