

Corporate Volunteer Opportunities

The Neighbourhood Group Community Services (TNG) Corporate Volunteer program gives your team the opportunity to address critical issues affecting people in Toronto: poverty, homelessness, mental health, unemployment, social isolation, substance abuse, conflict resolution, violence, youth alienation, and the settlement of newcomers.

When you volunteer with TNG Community Services you:

- Deepen connections between employees – regardless of whether they normally work in the office, at home or in a hybrid format – helping to enhance team morale and foster a shared sense of purpose.
- Demonstrate corporate commitment to social responsibility and community impact.
- Contribute to long-term positive change in your community.

Team Building with Purpose

A variety of volunteer experiences are available. We can tailor the experience to match your team's skills, interests, schedule and budget.

Please contact Trudi Ford, Manager, Development & Marketing at trudi.ford@tngcs.org or 416-937-9527 if you have questions or would like to plan an experience for your team.

Special Event

Your team can host a unique event for one of our programs. Examples include:

- an outdoor dinner event for residents at one of our eight affordable housing apartment;

Your corporate contribution (beginning at \$1,500) will cover all costs associated with the event.

Group Activity

A variety of hands-on activities are available including:

- shifts at the Teesdale Community Food bank;
- garden maintenance at our affordable housing locations;
- assisting with painting and minor repairs at program locations;
- participating in speed mentoring workshops to help people that are underemployed;
- conversations with newcomers to Canada so they can build their confidence.

1-10 volunteers - \$1,500

11-20 volunteers - \$3,000

Tours

If your team is interested in learning more about the issues facing people in Toronto, consider a tour. We can take you on a tour of a neighbourhood and provide detailed information about TNG programs and services. Or take our deluxe bus tour where you will visit numerous neighbourhoods and have the opportunity to speak to a variety of experts, including people with lived experience.

Tour costs begin at \$1,500 for 1-10 people.

Kit Packing

Your team can help prepare one of a variety of kits that will be distributed to persons in need. Options include winter essentials, school supplies, hygiene essentials, and more.

Your contribution will cover all costs associated with preparing and distribution of the kits. Learn more at bit.ly/TNGkits.

This activity can be run for groups of up to 3,000.
